

Celebration of Life Service for Vicky Ashby

Dear Friends,

There are so many people whose lives were touched by Vicky over the past 72 years. We do not all know each other, but now, as we prepare to honor all she was to each of us at a "Celebration of Life" we begin to see how many people she connected with over the years.

Some of us will gather in person at Christ Episcopal Church in Clarksburg WV on **January 25th at 11am** Eastern Standard Time. Others will be able to join us, using a livestream feed for this service.

If you plan to attend in person, Christ Episcopal Church is located at [454 W Main St, Clarksburg, WV 26301](#). Vicky was part of this worshipping community and served on the vestry there at one time. We are grateful for all the help being provided by the parish members. They will offer a reception immediately following the service.

Before moving to West Virginia Vicky lived in Arlington Virginia for many years. She was an active member of St. George's Episcopal Church while working for the US Government. Growing up in a military family she lived in many other places. Vicky had lifelong friends from the places she worked and lived, including her college years. Many of them will join us January 25th to honor her presence in our lives. We wish we could include all of her adopted dogs and cats as well. She would be happy to know they all are being taken care of by people who heard about Vicky's love of animals when they adopted them.

We know there are people who cannot join us in person who may choose to participate using the livestream. At 11:00am on January 25th you can go to the Christ Episcopal Church Facebook page to participate. You do need to have a Facebook account to view the feed. If you would like to test out this option, you can see the live feed from their most recent worship services online.

Please know, our livestream should start at 11 am EST but be patient if we happen to be a few minutes late.
