Backpack Blessings

Beth Sickles will make the final delivery for this school year on June 13. Thanks to all who participated in this outreach project by shopping, packing, delivering the bags of food each week, and to those who supported it financially. Most of all, a big THANK YOU to Pam Critchfield for organizing and keeping this huge project running smoothly. It couldn't have been done without you.

Clarksburg 10K Race

On Saturday, June 15, Christ Church will once again open its doors to the runners in the Clarksburg 10K. Volunteers are welcome to assist with this. The race normally starts around 8:30 a.m. which requires volunteers to arrive at church before the streets are closed 30 minutes ahead of race time. If you are interested in helping, please contact Chuck Critchfield.

News from Building and Grounds

One more project has been completed. After several months of waiting on contractors, the roof above the backpack storage room has been replaced and associated repairs have been made. Thanks to those on the Building and Grounds Committee who were persistent in getting this much needed job accomplished.

Gratitude from Those Who Worship at St. Barnabas

Thanks to Lyle Blake, Chuck Critchfield, and Bill Saviers for moving the concrete benches and table to St. Barnabas, and thanks to Christ Church for sharing these with us. We have plans for creating a meditation garden in the area where they are located. Through the years the altar at St. Barnabas has been a comforting place for individuals to go by themselves to commune with God anytime through the week. Now we will have a spot outside for those who prefer to commune with God in nature.

Serving Ministries

Thanks to the Girl Scouts, their parents, and siblings who joyfully planted flowers and mulched several areas in front of St. Barnabas this past week. Watching the community taking pride in beautifying our property was amazing. Thanks be to God for these little girls and their families.
