The Episcopal Church General Convention of 2018

The General Convention of 2018 which was held in July in Austin, Texas, has concluded. More than 500 resolutions with a broad range of topics were presented to the General Convention.

Bishop Klusmeyer has stated, "Probably the most exciting act of General Convention was the welcoming of (reinstating) the Diocese of Cuba back into The Episcopal Church." He also stated, "... the 1979 Book of Common Prayer was preserved and protected...." To read more information about the General Convention, Bishop Klusmeyer's email message to the people of West Virginia can be found on the home pages of both the Christ Church and St. Barnabas Chapel websites. (also an email was sent out on July 25 from the Church office)
