### Worshipping with Zoom

#### Christ Church and St. Barnabas Chapel

This past Sunday several families of Christ Church and St. Barnabas Chapel worshipped together for the first time electronically. This is a learning process for all of us. If you did not receive an email with the link to participate in those Zoom services, you should call the church office and leave a message or send an email to let us know. (304-622-3694 or [christchurch1853@aol.com](mailto:christchurch1853@aol.com))

Both the 10:00 AM service and the 5:30 PM service were done with Rev. Nora in her office at Christ Church and everyone else in our homes. The previous week Rev. Nora had taken pictures from both churches to share with us. The flowering plants and trees in the Christ Church Courtyard Garden were gorgeous. Thanks, Rev. Nora, for sharing these with us.

### Habits of Grace from Presiding Bishop Curry

This week: "Look for the helpers.  
Hope can be found in the helpers.  
The Hand of God can be seen in the helpers."

**A new posting each Monday through May.**

#### Week 4: Good Shepherd Chapel

Good Shepherd Chapel is the smallest chapel in the Cathedral, but also one of the most beloved for its quiet and intimacy.

### May 10, 2020

#### 5<sup>th</sup> Sunday of Easter

Morning Prayer with Zoom  
at 10:00 AM

Evening Prayer with Zoom  
at 5:30 PM

Both of these services will be led by Rev. Nora Becker.

**Instructions:** Sometime before the service times you should receive an email from Christ Church which will contain an invitation to join both services. Five to ten minutes before the service time, click on the link in the email. When the Zoom program appears on your screen, click on the button that says you want to join using video, and click on the button that says you want to join using audio. **Then wait** for someone to open the meeting. When this happens, you will see familiar faces on the screen. At this point, any background noise or anything you say will be heard by everyone on the screen. To prevent this, you can click on the speaker icon to mute the speaker, but remember if you wish to speak, you will need to unmute the speaker.
