Greetings from the congregation of Christ Episcopal Church and St. Barnabas Chapel. We certainly were blessed to have welcomed your family to our service this past week. I trust you felt welcomed as soon as you walked in the door of the church. It can be a little intimidating to come into a church as the "visitor", and we hope that feeling was overcome by the welcoming spirit of our people.

For much more information about us, and if you have access to the Internet, I encourage you to visit our websites at www.christchurchclarksburg.com or www.stbarnabaschapel.com. This web site is updated periodically to include the latest events and happenings taking place here, as well as photos, devotionals, and other useful tools for you.

If you're not able to join us in person for any reason, please visit our Facebook page at <https://www.facebook.com/Episcopalparishinclarksburg> to view the service online. (Sundays at 10 am)

If you would like to be included on our Good News publication sent out each week by email, please email us at christchurch1853@aol.com with your request. We will be happy to send it to you. If there are any questions you might have, please don't hesitate to get in touch with us as soon as possible, and we do hope to see you again!

Blessings!

We have ministries available for people of all ages when you're ready to take advantage of that, but for now, just feel free to become acquainted with your surroundings if you wish. Church should be a place where people can experience fellowship with others, and yes, even refuge from the challenging pace of life we all live.
