## Light Up the World Project

It's not too late to contribute! Continue sending those checks to the church office or place them in the offering plate. Make checks payable to Christ Episcopal Church with "Solar Light Project" in the memo line.

The youth of Christ Church are working with The Rev. Zachary Drennen to place these solar panels and lights with students in a school in Kenya where students have no electricity to do their homework. The solar panels can also recharge cell phones and other electronic devices.
