Big Thank You to.... Chuck, Dick, & Lyle

You might have noticed some recent updates at Christ Church; new smoke alarms, additional exit signs, and painting in the parking lot. These things did not get done by themselves.

Chuck came in last Saturday and painted “reserved” & “visitors” in parking spaces (in the heat). He returned that evening to watch the parking lot during the Robinson Grand Soft Opening making sure the reserved spots were not taken.

Dick Clovis, with the help of Lyle, came in Monday to install new & additional smoke detectors on the Church property. He also installed additional “exit” signs at various doorways.

Backpack Blessings

Christ Church will be packing backpacks again this year for the same Head Start Programs as we did last year. Pam Critchfield will be leading this project.

It will soon be time to start shopping and packing. Money has been donated to pay for the food, but shoppers are needed to get the food from the store to Christ Church. Packers will be needed to get the food into bags, usually on Sunday mornings after church. Drivers are needed each week (usually on Thursday mornings) to take the bags from Christ Church to the Head Start sites.

This project provides many opportunities for us to do the work of the church. Ask yourself, “Is this something God is calling me to do?” Then let Pam know if you can be a shopper, a packer, or a driver. Then watch for the signup sheet to appear in the Parish House and get your name on it.
