"Gradually I remembered what I had known all along, which is that church is not a stopping place but a starting place for discerning God's presence in this world. By offering people a place where they may engage the steady practice of listening to divine words and celebrating divine sacraments, church can help people gain a feel for how God shows up--not only in Holy Bibles and Holy Communion but also in near neighbors, mysterious strangers, sliced bread, and grocery store wine."

~Barbara Brown Taylor, from Leaving Church
