BULLETIN INSERTS

October 6, 2019 – Pentecost 17 Roanridge Trust Grants

Applications are now being accepted for the 2020 Roanridge Trust Grant Awards. Dioceses, congregations and Episcopal Church related organizations and institutions are invited to apply.

Offered annually, Roanridge Trust Grants are used for the “training of town and country ministry and rural Christian workers” of The Episcopal Church. They support creative models of leadership development and training of the laity and clergy in small towns and rural communities across The Episcopal Church. Awards generally range from \$5,000 to \$20,000.

These awards affirm the rich gifts and unique witness at work in rural communities. They are a key piece of the Jesus Movement in building leaders who sustain hope, health and creativity in often overlooked or under resourced localities. Roanridge Trust Grant recipients annually represent the great potential, diversity, and Jesus-rooted resilience in rural communities and small towns.

More information, application and instructions are in English (iam.ec/roanridge2020) and Spanish (iam.ec/roanridge2020sp).

Although previous recipients are eligible to apply, and one renewal of a grant is permitted, priority is given to new applicants. Only one grant request per diocese should be submitted.

Application deadline is December 13, 2019.

The Roanridge Trust was established by the Cochel family, who originally gave a working farm in Missouri called Roanridge to The Episcopal Church. Income from the Trust generates the grant funds.

Questions about the Roanridge Trust and the application process can be addressed to the Rev. Dr. Molly James, deputy executive officer of General Convention, at mjames@episcopalchurch.org, or Mr. George Wing, chair of the Roanridge Trust Grant Review Committee, at winggeo@winglaw.com.
